Traffic Awareness Campaigns

A Y 2016-17

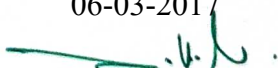

These Activities are crucial as they not only help to create social awareness among the public and students regarding traffic rules, but they also promote smooth and quality life in an urban city like Hyderabad. Also, these activities advocate a healthy, safe and sustainable environment. Around 140 students participated for campaign.

As a part of responsibility towards the society, the faculty and students volunteered a traffic awareness campaign. This campaign was carried out with the aid of posters prepared by the volunteers. When the signal turned red, half of the group of volunteers stood to hold the posters for the commuters, while the other half went and interacted personally with them. The volunteers requested the public to follow traffic rules like putting on their seatbelts as well as their helmets. They also urged them to be more socially responsible by making small changes like switching off the vehicle at the signal, especially if the traffic signal is for a long duration.

Clay Ganesh Event

A.Y: 2016-17

Lord Ganesha's birthday Ganesh Chaturthi is just around the corner and like every other year, water and air pollution will go up in many parts of our country as hundreds of thousands of people will gather to immerse Ganpati idols into the water bodies. Since the idols are made from Plaster of Paris these are non-biodegradable naturally and so these continue to float on the water for a long time thereby choking the water bodies and adversely impacting aquatic ecosystem. Adding to the problem, the idols are often decorated with paints heavy on lead and mercury which adds to the ongoing process of destroying the flora and fauna of the water body.

To fight these challenges during the festival and to protect the environment, Matrusri Engineering College has organized a Clay Ganesha event in collaboration with Youth for Seva on 3rd September 2016 to make Eco- friendly Ganesha Idol with Clay. Session is given to the student to make an idol. Around 100 students participated in the event.

Republic Day

A Y 2016-17

When the constitution of India was born, it was considered necessary by the makers of the document to celebrate it on a day associated with national pride and the best choice available was that of “poornaswaraj” day- January 26. For the next 67 years, India has been celebrating January 26 as the date when it elevated itself from an independent nation to a modern republic, strengthened in all its glory by a fully functioning constitution.

Vice Chairman Krishna Kumar garu hoisted the national flag and delivered the Republic Day speech. He highlighted the efforts of freedom fighters during the Independence struggle. He insisted that everyone should be patriotic and should abide by the Constitution. Management members, professors and administrative staff and students participated in the event.

Bathukamma celebrations

A Y 2016-17

The festival is seen as a celebration of Telangana's culture and is aimed at highlighting the local traditions. Goddess Gauri, also called Bathukamma, is worshipped in nine forms. During the floral festival of Bathukamma, the deity is prepared in the form of a conical-shaped floral arrangement using the pumpkin blossom, marigold flowers (banthi puvvulu), Chrysanthemum flowers (Chamanthi Puvvulu), leaves of pumpkin etc.
