National Youth Day

A.Y: 2018-19

Modern youth is groping in darkness without direction whatsoever. There is tremendous energy in the youth but it is not properly channelized. Hence they are facing enormous number of problems both in education and personal life, such as lack of self-confidence, courage, boldness, fearlessness, patriotism etc. Swami Vivekananda's inspiring message is greatly relevant for our modern youth. He is the ideal for youth. Realizing this truth his birthday is celebrated as National Youth Day by the Government of India.

Matrusri Engineering College has organized a National Youth Day on occasion of Swami Vivekananda Jayanti on 12th January 2019. Swami Bodhamayananda Director, Vivekananda Institute of Human Excellence (VIHE) is the chief Guest. He gave speech on Youth empowerment. On this occasion college inaugurated an Magazine "JIGNYAASA", and 150 students participated in the event.

Clay Ganesh Event

A.Y: 2018-19

Lord Ganesha's birthday Ganesh Chaturthi is just around the corner and like every other year, water and air pollution will go up in many parts of our country as hundreds of thousands of people will gather to immerse Ganpati idols into the water bodies. Since the idols are made from Plaster of Paris these are non-biodegradable naturally and so these continue to float on the water for a long time thereby choking the water bodies and adversely impacting aquatic ecosystem. Adding to the problem, the idols are often decorated with paints heavy on lead and mercury which adds to the ongoing process of destroying the flora and fauna of the water body.

To fight these challenges during the festival and to protect the environment, Matrusri Engineering College has organized a Clay Ganesh Event on 12-9-2018 to make Eco- friendly Ganesh Idol with Clay. Session is given to the student to make an idol. 70 students participated in the event.

Republic Day

A.Y 2018-19

Every year India celebrates Republic day which is also known as Gantanradiwas in Hindi on January 26. And preparations of the 70th Republic day are in full swing. On January 26, 1950, the Constitution of India which is the longest constitution in the world was enacted and put into force for the largest democracy. The principal architect of same was Dr Bhimrao Ambedkar. The day also marks the birth of modern India. Many leaders of India prepared the constitution after facing the tough task of taking into consideration the concerns of hundreds of ethnic communities, multiple castes and religious segments and tribes.

Republic Day was celebrated with great enthusiasm on the college. All the students, both teaching and non teaching participated in the celebration. The program started with hosting the national flag at 7:30 A.M by the Principal sir. The national anthem was sung by the participants. A cultural program was arranged. After that sweet was distributed to students. At last students gave shouting slogans and ended the program. In this republic day event 100 students actively participated.
