India's Constitution was adopted on November 26, 1949 and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Government in 2015 decided to observe 26<sup>th</sup> November as 'Constitution Day' or 'Samvidhan Divas'. As a part of this as 'Constitution Day' or 'Samvidhan Divas' was observed in our campus where students, faculty and staff have participated in the program.

Students were made to take oath of The Preamble of our constitution along with faculty and staff members. About 70 students, 60 staff members have participated in the program. Arrangements were made for students and staff members to watch the Commemoration Function of 'Samvidhan Divas' will be addressed by Hon'ble President of India, Hon'ble Vice President and Hon'ble Prime Minister of India at Central Hall, Parliament House on 26.11.2019

Title of the Activity: <sup>Clay</sup> Ganesh Event (You make it, You take it)

Matrusri Engineering College has organized an Eco-Friendly Clay Ganesha Workshop on the 31<sup>st</sup> August 2019 at the college premises on the occasion of Vinayak Chaturthi under MCC Club of MECS. Clay idols dissolve immediately in the water, greatly lessening or completely preventing water pollution. We can immerse it in a bucket at home also to prevent water pollution of lakes. The motto of the event is to bring awareness about the harm that plaster of Paris causes to the environment in making of Lord Ganesh idols. Around 50 Students and staff have voluntarily participated in the event actively and made clay Lord Ganesh idols which were later distributed for free to the people outside of the campus. Prizes are distributed to best creator.

Prize distribution by Principal sir to winner

**Engineers Day Celebration**

**Title of the Activity: Engineers Day**

**Dates: 15<sup>th</sup> September 2019**

**Objective:** September 15 is celebrated every year in the country since 1967 as “Engineer’s Day” to commemorate the birthday of the Legendary Engineer Sir Mokshagundam Visvesvaraya. Engineers’ day is celebrated for the great works of Sir MV towards the development of various places which are the most developed cities of today’s India. Sir MV is an international hero, recognized for his mastermind in harnessing water resources; he had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system in India by implementing irrigation and drinking water system all over India.

This year the 52nd Engineers’ Day will be celebrated all over the country and the Council of the Institution has selected the theme as “Engineering for Change” to mark the occasion. 52nd Theme: “Engineering for Change” ‘Change’ is the most important challenge faced by the engineers of a developing India. On the occasion of Engineer’s Day college has conducted many technical Talks.

Title of the Activity: Gurupournima celebrations

Dates: 16<sup>th</sup> July 2019

This year Gurupournima was celebrated on Tuesday July 16. The programme was organized to create awareness about Hindu culture and tradition among the students. In Hindu culture guru is shaping and giving proper direction to human life. Guru acts as friend, philosopher and guide for human beings hence must be respected. To express the feeling of respect towards teachers, the students felicitated Dr.M.Venu Gopal , Vice-Principal. *Around 50 students participated.*

***Independence Day Celebrations Report***

***A.Y: 2019-20***

**Title of the Activity:** Independence Day Celebrations

**Dates:** 15<sup>th</sup> August 2019

Independence Day Celebration in College is a day where students, faculties and staff pay tribute to the Nation and the freedom fighters of India. The day of India's independence is a day of pride, love and respect towards our Nation. India's Independence Day is celebrated on 15<sup>th</sup> August of every year. Members from Matrusri Education Society hoisted the national flag sharp at 8:00 AM. All the students and faculty saluted the flag and then sang the National Anthem followed by the Cultural Programme. Patriotic Poems and Songs were recited both by the faculty and the students.

*International Yoga Day*

A.Y: 2019-20

Since its inception in the year 2015, June 21<sup>st</sup> is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. Narendra Modi. He said, “Yoga is an invaluable gift of India’s ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being.”

International Yoga Day was celebrated by the students and Faculty of Matrusri Engineering College participated on 21<sup>st</sup> June 2020 . Due Covid-19 pandemic this event conducted on online mode. The celebration concluded with synchronized recitation of shlokas and speech by our Principal. He encouraged students to practice regular yoga to remain fit and improve concentration. Regular practice of yoga will surely help our students achieve a better life, physically, mentally and spiritually as well. Around 80 student participated along with faculty.

**Women's Day Celebrations**

**AY: 2019-20**

The women's day honours the voices that go unheard, the rights that are dominated and the tears that go unnoticed. Even today, there are millions of women around the world who are either speechless or are struggling hard to secure their rights. The discrimination and inequality is still very prominent, especially in developing and backward countries. Despite all pessimism, International Women's Day is a special day dedicated only to women and their role in our lives. Culture and ethnicity has given a new dimension to this day. The true essence of the day lies in identifying the rights and power of women and giving them a stature that they deserve.

Womens Day Celebrations

For the event, all the staff of the Matrusri Engineering college attended to make the event livelier. Mrs. K. Sandhya Assistant Professor in Chemistry said women in many developing countries, still face abuse from men. In places affected by war, women are frequently subjected to systematic sexual violence. In rural communities especially, traditions too often place women in subservient positions and there is frequently inadequate health and education provision. On this occasion staff and 90 students of different branches have participated.
