The students meeting the criteria spelt out earlier will be put through online campus test consisting of Aptitude, Maths and English test.

Those who clear this test, will be asked to write an essay or self-imagined story in English (about 200 words) on a randomly displayed picture or scene.

These two tests are online.

Those clearing the test will be evaluated by Tech Panel and those who are recommended by Tech Panel are finally evaluated by HR Panel.

Principal
Matrusri Engineering College
Saidabad, Hyderabad.

The evaluation will focus on basic tech skills, trainability and English communication skills (both written and spoken).

Each of the test will be a filter for next level

We don't visit a college with any restriction on the numbers to be selected – both minimum and maximum. Our aim will be to visit minimum number of colleges and select all those who meet our standards. The selection process is transparent where the TPO and Principal can be present anytime during the course of the evaluation process till final selection.

Infrastructure Requirement at College End for the test

    (a) LCD Projector for Pre-placement talk presentation with Public Addressing System with sufficient seating arrangement for all the participating students.

    (b) Systems connected to LAN with Internet facility and having IE or Google Chrome browser with popup blocker turned OFF, add techmahindra.com in the compatibility settings of browser.

    (c) Minimum dedicated Internet bandwidth of 20 MBPS

    (d) Printer connected to system with Internet facility

    (e) Sufficient space/room to conduct 6 - 7 interviews simultaneously

Our endeavor will be to complete the entire process same day.

Please feel free to revert to us in case you need any more information or clarification on above aspects.

P.S. We also don't employ or engage any 3rd party or agent to assist us in either recruitment or selection of colleges to be visited. Should any individual/agency approach you with an assurance of minimum selection numbers, you may ignore them or lodge a complaint against that person with police.

Dear Mr. Rajani Prashanth,

Basis our discussions over the phone, we are going ahead with the campus drive at your college on 28th October.

Please find the JD attached and circulate the same with your students.

Eligibility Criteria:

1. Candidates from Circuit Branches only i.e., - ECE, EEE, CSE, IT

2. 65% and above across academics and no active backlogs

Some instructions for the online test:

1. Please ensure that the machines have a decent internet speed so that the candidates won't face any internet issues

2. Please have the anti-virus, browser and java update pop ups to be disabled.

3. Since the test keys are created with specific timelines, the Time and Date of the machines need to be accurate & up to date.

4. Google Chrome & Firefox are preferable browsers.

The candidates have to carry the following with them

·   College ID card – without which they are not permitted to write the exam

·   Hard copy of resume

·   Photocopies (Xerox copies) of academic certificates - they will be collected if a candidate is shortlisted in the final round of interview

Dear All

Sharing with you the "Applied for Drive" dashboard as of 11 AM today.

I have also attached the student data with this email. You can check for your respective institutes and drive applications accordingly. [NOTE: Since the file size is big, beyond a point I may not be able to share this data with you all. However, will send it whenever I can.]

Good improvement seen over the last couple of days, still, there are some institutes with large batch strength where less than 50% students have applied.

Please look into this urgently. Please note the below points:

- **Deadline to Apply for Drive is 20-Aug-18 11:59 PM.**
- **If students miss this opportunity to participate in TCS drive, there will not be any other opportunity this year.**
- In the below mail trail, I have given how to check if a student has Applied for Drive, please inform students to check accordingly.
- We have observed a few cases where students have selected "Bachelor of Engineering" or "Master of Engineering" as qualification, and did not get "Apply for Drive" link. If this is the case, ask them to change it to "Bachelor of Technology" or "Master of Technology", and check if they are getting.

Dear Sir/Madam,

Greetings from Medha Servo Drives!!

We are very thankful for extending your co-operation during campus recruitment all these years.

Medha at a Glance

Medha Servo Drives Pvt. Ltd., founded in 1984, is focused on rail transportation. Since inception, Medha has used Research and Development as a tool for success and today we are proud to be known for our product range, domain knowledge, design expertise, quality and manufacturing capabilities. Starting from humble beginning, over the last 35 years our company has grown to employ over 3200 talented people whose commitment has led to a sales revenue of INR 17.4 billion (approximately USD 250 million) for the year 2018-19, with the revenues growing at the rate of 27% year over year (CAGR) for the past ten years. Medha's vision is to become world leader in railway products and to achieve this we specialise in three areas, Control Electronics, Power Electronics and safety critical Signalling.

We have designed and manufactured various world-class high-tech electronics products for application on locomotives, trainsets, coaches, railway stations and yards. We specialise in designing and engineering our products to withstand shock and vibration, wide temperature variations, and electrical disturbances that are typical of harsh locomotive environment. Our strength lies in designing, customising and integrating systems that involve multiple functional domains such as control electronics, power electronics, fail safety and mechanical construction. Medha's R&D Centre is 500 people strong and has all the infrastructure required for developing sophisticated products. Medha has also achieved CMMI Level 3 certification for well defined design processes for new product development. We are working towards CMMI Level 5 certification by further improving our design processes.

Principal
Matrusri Engineering College
Saidabad, Hyderabad

At Medha, our products, our people and our approach to business are held to only the highest standards. We build quality

into our products by following well designed processes and implementing end-to-end manufacturing. We profoundly believe in professional management at all levels and strictly follow Quality Assurance System as per IRIS and ISO 9001:2015 standard. Medha was awarded IRIS and ISO 9001:2015 certificate by DNV GL Assessors accredited by NABCB and established a reputation for quality products and excellent after sales service. Our quality policy has been, 'We are committed to provide reliable products and services meeting customer expectations and applicable statutory and regulatory requirements with excellence in performance and cost effectiveness through a continually improving Business Management System'.

Medha's motto being 'translating technology into innovative solutions', our employees believe in making our customers' lives better by designing better products and improving existing products. To us, the idea of innovation extends beyond building a product. We continue to train our customers and service the product throughout the design life of a product (typically 10 – 25 years).

Medha's R&D Centre, R&D Centre Unit II, and Manufacturing Unit, located in three different areas, are built over a combined area of about 18 acres of land in the heart of industrial areas near Hyderabad, India. These state-of-the-art facilities encompass the capability to research, design, develop, manufacture, service and provide in-field product support.

In 2007, Medha started a charitable institution by the name of 'Medha Charitable Trust' for the upliftment of poor students. It is the goal of the trust to improve the lives of these students by supporting them throughout their education and helping them become self sufficient in the long run. The trust has touched the lives of more than 22,00,000 students in various schools so far since its establishment.

ValueLabs Campus Hiring For 2020 Batch

Medha Das <medha.das@valuelabs.com>   Tue, May 14, 2019 at 9:19 PM
To: Anusha Bheemarasetti <anusha.b@valuelabs.com>

Dear Placement Officer,

Greetings from ValueLabs!

My name is Medha and I am working in campus hiring team at ValueLabs.

We wanted to extend a note of thanks for hosting us last year for the N Band hiring process.

This year again, we are about to start our campus hiring program and we are looking for a Day Zero slot.

We will be hiring final year for B.E / B.Tech students of 2020 batch from CSE/IT/ICT/ECE/EEE streams for our N Band positions.

The role would be that of a Software Engineer and location would be Hyderabad. Currently, we have multiple openings and hence, we are flexible in number in case we find exceptional talent and participation.

Kindly let us know the next steps and we would be glad to take it forward. Looking forward to another successful year of hiring like previous year.
