**Invitation to E-Summit Hyderabad**

We are NucleusTech, a startup based out of Hyderabad and we would like to co-ordinally invite you to the E-Summit (Entrepreneurship summit) on 21st and 22nd August 2018 at Vardhaman College of Engineering.

E-Summit Hyderabad provides a platform for interaction among investors, seasoned & upcoming entrepreneurs, academia and young minds. The Summit involves participation from esteemed business leaders and provides an opportunity for the students to engage with startups and corporates. It includes S2S and S2C (Students to Startups & Students to Corporates program) in which experienced delegates from various fields will motivate the young work force towards initiating their entrepreneur journey.

With over 1500 students and more than 200 startups, E-Summit, Hyderabad is one of the biggest entrepreneurship event in the country. Cross-sector panel discussions, pitch competitions, mentoring, workshops, hackathons etc. make this event an ideal brainstorming space for ideas to come out and grow.

Your insights and views on entrepreneurship would prove to be a great learning for everybody present in the event and we are sure that you would also want to share with the world, the secret of your success.

We look forward to your presence with great zeal and enthusiasm.

Thank you  
  
B. Vashwanth Reddy  
Managing Director,  
NucleusTech
