

# SANKALAN (संकलन)

## **Vision of the Department**

*To prepare civil engineering professionals with an ability to develop designs and initiate innovative thoughts focusing on infrastructural needs with a social responsibility.*

## **Mission of the Department**

*M1: To enhance technical skills among the students by adopting effective teaching-learning processes.*

*M2: To impart knowledge of emerging infrastructural needs of the society for developing eco-friendly designs.*

*M3: To inculcate technical competencies among the students to enable them to meet present and future challenges.*

*M4: To prepare for life-long learning with professional ethical practices.*
