

SANKALAN (संकलन)

Vision of the Department

To prepare civil engineering professionals with an ability to develop designs and initiate innovative thoughts focusing on infrastructural needs with a social responsibility.

Mission of the Department

M1: To enhance technical skills among the students by adopting effective teaching-learning processes.

M2: To impart knowledge of emerging infrastructural needs of the society for developing eco-friendly designs.

M3: To inculcate technical competencies among the students to enable them to meet present and future challenges.

M4: To prepare for life-long learning with professional ethical practices.

Editorial Board

Faculty

Dr. G. Manohar,
Professor & Head, - Editor
T. Raja Ramanna - Co-Ordinator
M. Srividya - Co-Ordinator
P.Prashanth - Co-Ordinator

MATRUSRI ENGINEERING COLLEGE

Approved by AICTE & Affiliated to Osmania University
16-1-486,Saidabad,Hyderabad-500059
Website: <http://matrusri.edu.in>

DEPARTMENT ACTIVITIES

1. An Guest lecture organized to the students on “**challenges and opportunities in Civil Engineering**” by Sri S.B. Shanker Rao, JMG institute (Rtd. Walantari) on Dt : 10/09/2018.
2. Organized two day work shop on **Revit package** association with K.G. Mech Pvt Ltd held on 05th& 06th Oct 2018.
3. Organized one day project Expo “**ABHIGYAN**” on 05th Oct 2018.

FACULTY ACTIVITIES

- **Smt.G.Satyavathi.** successfully completed her Ph. D. in the month of Nov, 2018.
- **Smt.S.Lokeswari** awarded NPTEL online certification on the course “Waste Water Treatment and Recycling” in the month of Oct, 2018.
- **Sri.P.V.S.KoteswaraRao ,Sri. P.Ashveen Kumar ,Smt.B. Udaya sree ,Smt.S.Lokeswari ,Smt.P.Dhanamma,Smt.K.Smitha,SmtM.Pratibha,Sri T. Raja Ramanna , Sri.P.Prashanth , Sri .U.Tirumalesh** attended Two days workshop on REVIT package Mecs, on 05th& 06th Oct 2018. Hyderabad.
- **Smt.B. Udaya sree,Smt.P. Dhanamma ,Sri T. Raja Ramanna** attended Two day w/p on” Earthquake resistance design of buildings using SAP 2000” at CVSR Engineering College on 6//9/18 and 7/9/18(Anurag Group of Institutions)
- **Sri.P.Bharath Kumar** attended One day Workshop on Advanced Exploration Techniques on 30/11/2018 at OU, Hyd.
- **Sri.P.V.S.KoteswaraRao ,Sri. P.Ashveen Kumar ,Smt.B. Udaya sree ,Smt.S.Lokeswari ,Smt.P. Dhanamma ,Smt. K.Smitha ,Smt M.Pratibha ,Sri T. Raja Ramanna , Sri.P.Prashanth , Sri .U.Tirumalesh** attended Seminar on Gender sensitization on 31/08/18 at Mecs, Hyderabad.
- **Sri .U.Tirumalesh** attended All India seminar on “ Recent developments in concrete composites” on 24/08/18 and 25/08/18 at IEI, Hyderabad

FACULTY ACHIEVEMENTS

- **Sri.P.V.S. Koteswara Rao** published a paper titled “Development of Delay Equations at Signalized Intersections in Hyderabad” in International Journal of Technical Innovation in Modern Engineering and Science (IJTIMES, volume 4, issue 12, Dec, 2018).

STUDENT ACHIEVEMENTS

- 1) B.E. III Sem Civil student, Chaitanya got the Gold medal in Weight Lifting competition at Indian Congress Festival organized by Congress party, Hyderabad. And also selected as nominated participant from Telangana for national level Weight lifting Championship which will be held at Kerala in the month of Dec 2018.
- 2) B.E. III Sem Civil student, Ananya participated in Gymnastics at Indian Congress Festival organized by Congress party, Hyderabad.
- 3) B.E. III Sem Civil student, Sai Teja got Bronze medals in 50mt Back Stroke and 100mt Back Stroke on 21st Aug, 2018.

One Day Project Expo “ABHIGYAN” on 05th Oct 18

REVIT WORKSHOP

Two Day work shop on “Revit Package” in association with K.G. Mech Pvt Ltd held on 05th & 06th Oct 2018.
