

ABOUT MECS

It was with a lofty vision coupled with a sublime mission that a galaxy of farsighted and distinguished engineers, doctors, accountants, lawyers, businessmen and administrators of Hyderabad established the Matrusri Educational society in 1980 which founded Matrusri Engineering College, at Saidabad in Hyderabad in 2011 offering BE courses in Civil Engineering, Computer Sciences & Engineering, Electrical & Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering. All B.E programmes of Matrusri Engineering College are NBA accredited in 2019. The college runs with the elevated aim of being a pioneer in technical education with a team of highly qualified and experienced faculty members and state of the art equipment in all departments. The college takes the pride of sending out 4 batches of students, many of whom have taken their engineering degrees with flying colors making the flag of the college fly aloft.

ABOUT NPTEL

The National Programme on Technology Enhanced Learning (NPTEL) is a project funded by the Ministry of Human Resources Development, Govt. of India and carried out by seven IITs (Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras, and Roorkee) along with IISc, Bangalore. Presently NPTEL focuses on online courses for certification using MOOCs, with a unique, in person - at exam center, proctored exam process, that lends strong credibility to the certification process. NPTEL has completed 2000 courses so far with 1.1 crore enrollments and 11.5 lakh learners writing exams.

ABOUT WORKSHOP

Aim of the NPTEL Awareness Workshops is to create maximum awareness among participants about NPTEL and its various initiatives. The workshop will include sessions on NPTEL and its features, NPTEL Online Certification courses and the concept of NPTEL Local Chapter.

ANTICIPATED BENEFITS

The participants are aware of NPTEL and how it can be used and can take it back to the Heads of their institutions for implementation in the best way to benefit their students. These members can also have a session with their students, where they can explain about NPTEL to them.
